RE: A&A Development.

To Whom It May Concern:

This is to confirm that A & A construction has provided services to the Avila Subdivision for over ten years. At least on an annual basis they have been called upon to repair streets, curbs, storm sewers and other facilities with in the subdivision. There work has always been excellent, they have been very responsive and it is the intent of the Association to call upon them in the future when such services are needed.

If you have any questions please call me at 813-949-9768.
